***Vision: Excellence for all through learning without limits***

### Our ***Mission*** Statement

At St John's, we provide a welcoming, friendly, safe and supportive environment in which Christian family values are central to the ethos of the school and its teaching and *learning*. The school believes in effective partnerships with parents, staff, governors and the wider community. We especially value the partnership we have built up with our parents / carers and the community over the years.

Our children learn within a safe, caring and disciplined environment. We believe that every child should enjoy their education and be happy, healthy and safe at school. We will continue to value our children for their individuality, culture and heritage. We are committed to providing a place of excellence and high standards.

We are fully committed to ensure that our children are given opportunities to achieve their full potential in their academic, creative, emotional, social, physical, moral and spiritual development.

Staff focus upon providing the highest possible standards of education and upon enthusing pupils with a love of learning. Through creative, broad and balanced experiences we inspire confidence and celebrate the uniqueness and successes of all our pupils in the school.

Our aims are *to enable our pupils* to:

- Develop knowledge and skills through an exciting and creative curriculum which fosters a lasting enjoyment of learning.
- Show respect and empathy towards others, enabling them to make positive relationships with a wide range of people.
- Appreciate the natural world as a source of wonder and inspiration, and play their part in maintaining and improving their environment.
